

THERE ARE TWO BOOTH TYPES AVAILABLE AT THE EVENT:

1. SHELL SCHEME – Standard Booth Space

Octanorm booth construction provided by EBD, 6sqm to 12sqm:

Back panels and partition panels as needed provided by the organizer (off-white plastic laminate).
Booth space comes without carpet.

Inline Shell Scheme Booth 6sqm

Corner Shell Scheme Booth 6sqm

0.5m

NOT INCLUDED in the exhibitor package for either booth type is any additional booth equipment such as:

- Carpet – ordering of carpet is mandatory via the web shop.
- Furniture
- Power supply and special electrical equipment
- Wired LAN internet access
- Display systems etc.
- Cleaning services, paper bins

Exhibitors need to order these at their own cost directly from the Web Shop and Service Providers.

2. SPACE ONLY - Individual booth construction

Space Only does not come with anything included. Exhibitors build their booth, providing flooring and partitioning walls, order electrical connections, bring furniture, etc.

- All island booths are Space Only.
- Row, corner or peninsular booths, please check with your exhibit liaison, if you will be allowed to bring your own booth construction.

All Space Only stand designs must be reviewed by EBD exhibit team for design approval prior to building. Additionally, all individual booth constructions need structural approval by Abraxys, our Health & Safety partner.

BUILDING HEIGHTS:

The maximum height of booth construction depends on your booth size:

6-10 sqm non-island, in-line/corner, peninsular booths with back and side walls	The maximum height of booth construction is 2.50 m. Hanging signs are not permitted.
12-18 sqm non-island booths, with back and side walls	The maximum height of booth construction is 2.50 m at the back wall. With a minimum distance of at least 2m towards the back wall, a maximum height of 3 m is permitted. Otherwise, extended heights and hanging signs are not permitted.
20 sqm and larger island booths only	The maximum height of booth construction is 4 m. The maximum height for hanging signs is 7 m (highest point). The maximum banner format is 1.60 m in height.

SHELL SCHEME BOOTHS – DESIGN

Please be considerate of your neighbor and **do not extend the partition panels** of your shell scheme booth by using pop up-walls, wooden constructions etc.

SPACE ONLY BOOTHS – INDIVIDUAL BOOTH DESIGN

To create an open environment for the exhibition, please note that **only 1/2 of any side of a booth bordering an aisle may be enclosed.**

In the event EBD's design rules differ from the Messe Leipzig Technical Guidelines, the terms of the EBD rules shall prevail.

If you plan an individual booth design, you require an approval prior to building! **Please submit your booth design including measurements August 26, 2022** to the EBD exhibit team for review!
